

## **Forgive Me, LORD for...**

the times I did not put you first in my life,  
taking Your name in vain,  
disclosing confidences or gossiping, or lying,  
using inappropriate language,  
talking out of turn or interrupting more than listening,  
any ways in which I hurt others,  
the times I did not respect others or myself,  
being envious or jealous,  
lashing out in anger or frustration,  
the times I didn't show compassion or concern for others,  
holding grudges or harboring resentments,  
being critical or judgmental,  
being selfish or greedy,  
being prejudiced, biased, or discriminatory in any way,  
not sharing my time, talents and riches,  
not caring for myself, physically, relationally, psychologically, emotionally or spiritually,  
any sins of the flesh,  
failing to see and help You in the homeless and the needy,  
not living submitted to You,  
doubting the You forgive me unconditionally,  
doubting You love me without condition,  
not embracing Your mercy and forgiveness,  
not allowing You to love me completely,  
any other sins I have committed...

**Forgive Me LORD**
