

## Alive Within My Soul

The Spirit of God resides within my soul

Longing to be expressed

The Spirit is never still, always changing, growing, moving

The Spirit is alive within my soul

With a burning desire to be free and truly divine

Alive within an imperfect being whose free will is limited only by my inability to surrender to the divine within.

Awake, O Spirit, that which is dying or already dead

Bring forth abundant life and great beauty from within the vast recesses of my soul

Take me to new depths of love, where I may soar to the highest of heights

Fill my emptiness with the promise of everlasting joy

Teach my heart how to sing with praises of glory

May that my entire being become the living presence of God

Spirit alive within my soul, awaken my passion for life and its wonder

Cease not to create vigor and newness of life

Spirit alive within my soul

Soar beyond the confines of this body

Reaching out to all whom I encounter

Proclaim the awesome wonder of God from my humble gifts

And may I become the true hands and heart of Christ

To every soul, without distinction, without care, without regret and without a want or care.

Spirit alive within, be expressed and known in all that I do, to all whom I encounter

Spirit of life, echo forth Your love from my heart

Create in me a sense of wonder for all of creation, in its majesty, elegance and awe inspiring wonder

Spirit alive within my soul live as though You have never lived before

May I be one with You, as You are one with the Father and the Son.
