

Miracles Of Epic Proportions

Miracle of miracles He has risen from the dead! In His lifetime, Jesus healed the sick, the blind, the deaf. He dispelled demons and sin. He raised the dead and restored hope to the hopeless.

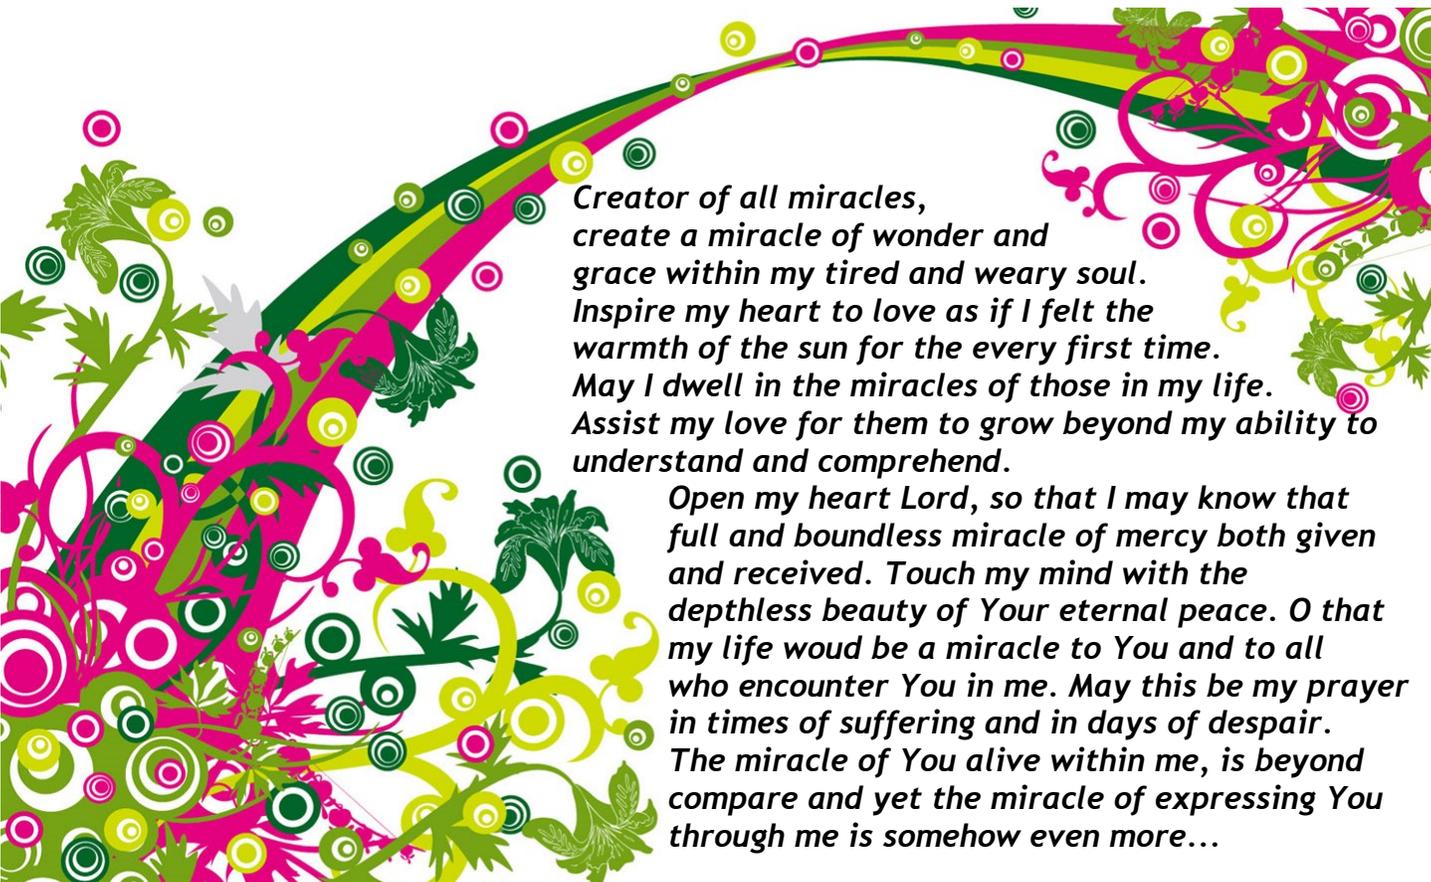

It has often been said that the miracles described in the Bible are far fetched and even if they were true, how is it that they don't happen anymore? When Jesus came to earth, He came as a herald of the Good News. He came to fulfill prophecies and restore, all creation back to God.

I keep my heart and my soul and my spirit open to miracles. Patrick Swayze

This still happens, eh? Miracles do happen". Pope Francis

"Miracles happen everyday, change your perception of what a miracle is and you'll see them all around you." Jon Bon Jovi

Though it may seem that we do not witness miracles of Biblical proportions in our everyday lives, miracles of epic proportions are occurring within our hearts every time that we allow God to love through us. A miracle changes our current situation and creates something far more wonderful than we could ever possibly imagine. There is no greater miracle than the miracle of love within a heart. It's never-ending awe and wonder will forever captivate our lives so long as we are open to God!

*Creator of all miracles,
create a miracle of wonder and
grace within my tired and weary soul.
Inspire my heart to love as if I felt the
warmth of the sun for the every first time.
May I dwell in the miracles of those in my life.
Assist my love for them to grow beyond my ability to
understand and comprehend.*

*Open my heart Lord, so that I may know that
full and boundless miracle of mercy both given
and received. Touch my mind with the
depthless beauty of Your eternal peace. O that
my life would be a miracle to You and to all
who encounter You in me. May this be my prayer
in times of suffering and in days of despair.
The miracle of You alive within me, is beyond
compare and yet the miracle of expressing You
through me is somehow even more...*
