

Through Heaven's Eyes

Have you ever wondered why you're here?
What is the meaning of life? Of your life?

To know the value of one's life, is to know the worth of a soul. For you, who were created in the image and likeness of God, have a mission, a call, a vocation, a purpose to fulfill. God has created you to shine with His love in a way that no one else can. You are so unique in every detail that you will never be duplicated. God has a vision for your life; that is so awesome it's beyond all words, its beyond anything that you can ever imagine!

**“Open up your heart and listen to what God is saying to you.
Allow your life to be written by God.” Pope Francis**

“So how can you see what your life is worth or where your value lies?
You can never see through the eyes of man, you must look at your life...
Look at your life through heaven's eyes.” The Prince of Egypt

“Rivers of living water will flow from within him.” John 7:38

The quest for one's purpose begins with a single step, and that step is prayer. It is prayer in which you encounter God and all His awesome wonder and might. A prayer that will change your life and instill a flame in your heart that can never be put out. But this prayer must be one of courage, of total abandonment and free from all worldly distractions. God is not hard to find, but you must have the want and the diligence to seek Him.

Do not wait for another day to pass, or for a time when life isn't so stressful. Seek Him today, for He waits with great anticipation for His child to share in all His glorious wonders. He longs for you to fulfill your great purpose and experience a love and zeal for life that you have yet to know. He wants you to shine and succeed, to be prosperous and loved. God wants you to be happy. When will we realize that we are happiest when we walk with God?

“It does not take a certain person, with specific this or that...all that it takes is you!”

**“If God can work
through me, he can
work through anyone.”
Francis of Assisi**

Abba,

You created me with great purpose and with great love.
Help me to be all that I can be, all that you created me to be.
Today and every day, may I strive to use the gifts and talents

You so freely gave to me for the benefit of the world
and for the glory of Your kingdom.

Amen
