

I Thirst...

Upon the cross, Jesus says: "I Thirst" but His thirst is not a physical thirst, His heart aches for you, he thirsts for you!

Are we hopeless or helpless? Many times in this life, we will find ourselves helpless...but no matter how often we feel helpless...we should never feel hopeless. Emmanuel! God is with us...always! God will never abandon us or forsake us, for how can God abandon himself...?

"God is love, whoever remains in love remains in God and God in him." 1 John 4:16

Did you know that God is longing...and He longs for you? Every day God longs to be a part of your life. He doesn't want to control you or be this figure that stands over your shoulder judging every move you make and every thing you say. God wants you to experience life as He created it to be experienced. You have talents that God has given you, and it's through your gifts and talents that God reaches out into the world. You see He works through you...He loves through you...He lives in you.

"Since love grows within you, so beauty grows. For love is the beauty of the soul."
Saint Augustine

"Thank God every morning when you get up that you have something to do that day, which must be done, whether you like it or not." James Russell Lowell

Do you go about your day, with tomorrow on your mind, living as if tomorrow and the day after are a certainty? There's no guarantee of tomorrow...in fact there was no guarantee of today. We cannot wait for tomorrow to acknowledge God, we cannot wait to get up in the morning and say: God you are my reason for living; God help me to be a better me, the me that you created for this world to know; God create in me a fire of love for all the world to know. "...whoever drinks the water I shall give will never thirst, the water I shall give will become in him a spring of water welling up to eternal life." John 4: ??

God thirst for us and we thirst for Him...by allowing God to fill us with the waters of His love, our thirst shall be satisfied and so shall God's!

I thirst...for you.

I long for you to know that strength and wonder of God's love.

Father, forgive them, they know not what they do when they sin...

You know not how much God cries for you...how much I ache for you.

I give everything to you my friend, my mother...my life...my love.

Will you open your heart to receive all that I give to you?

Will you surrender your life...into the hands of God?

Will you trust in Me, that I will never leave or forsake you?

I die for you... so that you may live.

Amen I say to you, if you die to this world and live in our Father's love...

Then you will live with Me forever in paradise.

With a breath God gave us live...with breath God gave His life for us...
